

FAEGRE BAKER DANIELS

2013 Legislative Update #7

Indiana Society of Anesthesiologists

March 3, 2013

The House and Senate wrapped up work on their own bills last week, thus marking the halfway point for the 2013 "long" session of the Indiana General Assembly. Any bills that did not clear their house of origin are now considered dead, although their contents may be inserted into surviving bills through mid-April. Of the 1,236 measures introduced this session, 848 have died, leaving approximately one-third (388 bills) alive for further consideration.

So far this session, the mortality rate for bills on ISA's tracking list is slightly lower. Of the 62 bills on the tracking list, 26 did not gain passage in the first chamber. Here's a complete list of dead bills.

DEAD bills

- HB 1014 Income tax credit for specialty drugs. (T. Brown)
- HB 1039 State administration. (T. Brown)
- HB 1085 Spinal manipulation. (Davis)

- SB 121 Limitation on adoption of agency rules. (Leising)
- SB 183 Sex selection and genetic abnormality abortion ban. (Kruse, Banks)
- SB 230 Applicability of federal law in Indiana. (Delph, Boots)

- SB 503 Tactical emergency medicine. (Becker)
- SB 508 Health coverage. (Steele)
- SB 515 Hospital assessment fee. (Pat Miller)
- SB 534 Prescription drug costs. (Grooms)
- SB 540 Implementation of federal Affordable Care Act. (Tallian)

Although the first week after the crossover is usually slow, the Senate already has scheduled 35 House bills for committee hearings, including **HB 1105** (anatomic pathology services), **HB 1182** (physician order for scope of treatment forms), and **HB 1315** (biosimilar biological products). Only six Senate bills have been set for House hearings in the upcoming week, but additional committee meetings (including House Public Health) are expected to be announced as the week progresses. Because the House recessed a day earlier than the Senate, many Senate-passed bills are still awaiting committee assignment in the House, including **SB 273** (anesthesiologist assistants) and **SB 268** (CRNAs).

Following are summaries of the bills on the tracking list that are still alive. Bills that have been set for hearing in the second chamber are highlighted in blue.

As always, please let us know if you have any questions or need additional information.
