

# Indiana Society of Anesthesiologists

2019 Women in Anesthesiology Conference

August 2019

*Jointly provided by the American Society of Anesthesiologists and the Indiana Society of Anesthesiologists.*

ISA Women in Anesthesiology Conference: Saturday, August 24, 2019  
Renaissance Indianapolis North Hotel  
11925 N. Meridian Street  
Carmel, Indiana 46032

## FEES

Fees are \$100 for members of the Indiana Society of Anesthesiologists (ISA) and \$175 for non-members of ISA. The fee is \$25 for anesthesia residents, anesthesiologist assistant students, and medical students. This fee includes conference materials, continental breakfast, break refreshments, and lunch.

Payment may be made by check payable to Indiana Society of Anesthesiologists or online with PayPal.

Please refer to the registration form for more details.

Half of the registration fee will be refunded if cancellation is made before July 26, 2019.

*The Indiana Society of Anesthesiologists complies with the Americans with Disabilities Act and will make every reasonable effort to accommodate your request. For special requests, please contact Alise Dillow or Wendy Gagnon at 317.607.9164 at least two weeks prior to this activity.*

## LOCATION AND LODGING

The course will take place at the Renaissance Indianapolis North Hotel, 11925 N. Meridian Street, Carmel, Indiana 46032.

## ACCREDITATION & DESIGNATION STATEMENTS

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the American Society of Anesthesiologists and the Indiana Society of Anesthesiologists. The ASA is accredited by the ACCME to provide continuing medical education for physicians.

The American Society of Anesthesiologists designates this live activity for a maximum of 6 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

## DISCLOSURE STATEMENT

The American Society of Anesthesiologists remains strongly committed to providing the best available evidence-based clinical information to participants of this educational activity and requires an open disclosure of any potential conflict of interest identified by our faculty members. It is not the intent of the American Society of Anesthesiologists to eliminate all situations of potential conflict of interest, but rather to enable those who are working with the American Society of Anesthesiologists to recognize situations that may be subject to question by others. All disclosed conflicts of interest are reviewed by the educational activity course director/chair to ensure that such situations are properly evaluated and, if necessary, resolved. The American Society of Anesthesiologists educational standards pertaining to conflict of interest are intended to maintain the professional autonomy of the clinical experts inherent in promoting a balanced presentation of science. Through our review process, all American Society of Anesthesiologists CME activities are ensured of independent, objective, scientifically balanced presentations of information. Disclosure of any or no relationships will be made available for all educational activities.

## DISCLAIMER

The information provided at this CME activity is for continuing education purposes only and is not meant to substitute for the independent medical judgment of a healthcare provider relative to diagnostic and treatment options of a specific patient's medical condition.

## INTENDED AUDIENCE

This program is primarily designed for anesthesiologists, anesthesiologist assistants, residents, and students.

## STATEMENT OF NEED

The anesthesiology community is focused on leadership development. The program will address the needs of the anesthesiology community by providing a forum devoted to leadership development offering relevant lectures and panels. There will be networking opportunities with peers and experts.

## LEARNING OBJECTIVES

At the end of this meeting, participants will be able to:

- Classify types of serious and nonserious adverse events with long term opioid use
- Explain the value of developing relationships with mentors, sponsors, and colleagues
- Identify the tools necessary to obtain and succeed in leadership in private practice
- Identify resources available for asset protection
- List workforce challenges within healthcare which disproportionately affect millennial physicians, especially millennial anesthesiologists
